

THE BLUEGUM

13970

The Bluegum for its size has a terrific layout that is surprisingly workable for a three bedroom home. This includes walk through robe and ensuite to the main bedroom.

A compact design that hasn't forgotten the needs of a family with separate meals and family rooms and formal dining and living. Having a single garage and front portico gives the Bluegum its great appeal.

Floor Area:- 150.0 Sq.m
 Porch Area:- 2.7 Sq.m
 Overall Area:- 152.7 Sq.m
